Chilly White

Introducing Chilly White

Unveiling the Essence of Chilly White

Founded in 2012, Chilly White began as a charming local ice cream tricycle delighting guests at summer events. Today, we are proud to be recognised nationwide for our exceptional event catering — bringing elegance, flavour, and a touch of nostalgia to life's most memorable occasions.

We collaborate with leading event planners, prestigious venues, luxury hotels, and discerning private clients across the UK to deliver bespoke, joyful experiences that leave a lasting impression.

Our founder and “Top Scoop,” Paul, inherited his love for ice cream from his grandfather, who worked in an ice cream factory and inspired a lifelong devotion to craftsmanship and quality.

Now, Chilly White offers 35+ premium food and drink services, all beautifully presented from hand-built Pashley No.33 tricycles, crafted in Stratford-upon-Avon. Each one is a celebration of British design, timeless style, and unforgettable taste.
